Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Hubbard Street Rehabilitation in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Mount Clemens and the project is located at Hubbard Street from Groesbeck Highway to the Canadian National Rail Road in Mount Clemens, MI 48043.

The funding is designated for 0.5 miles of full depth road concrete pavement repairs, base course repairs, concrete curb and gutter repairs, drainage structure adjustment and repairs, sidewalk ramp improvements, permanent pavement markings, and related work.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: it will repair infrastructure, above and below ground, vital to continuing commercial activity and providing continued accessibility to residential areas in Mount Clemens.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN  
Member of Congress
